Patent Attorney, Agent or Technical Advisor – Biotechnology

Birch, Stewart, Kolasch & Birch, LLP, an internationally-recognized intellectual property law firm located in Falls Church, VA, seeks qualified Patent Attorney, Patent Agent or Technical Advisor to apply scientific principles and specialized knowledge to assist in the technical study, research and analysis of technologies involved in the preparation and prosecution of patent applications.

Qualifications

Education

- Doctorate (Ph.D.) degree in Molecular Biology or closely related field. Will consider applicants with a Master's Degree and experience in patent prosecution.

Other Requirements

- Candidates will have minimum of 2 years' experience as a patent attorney or patent agent. Will consider applicants with a Ph.D. and strong technical background with no experience.
- Non-attorneys will be required to attend law school.
- Successful candidates will be required to take Patent Agent's Exam to practice before the U.S. Patent and Trademark Office, if not already a registered attorney or agent.

Benefits:

Comprehensive benefits package to include medical, dental, and vision insurance, as well as tuition assistance. Bonus program, *if eligible*. Firm wide annual events and business casual environment. Access to nearby metro and free parking offered.

Please email cover letter, resume, writing samples and salary requirements to HR@BSKB.com.

About BSKB:

Since 1976, BSKB has been providing a full range of intellectual property law services to clients in the areas of patent prosecution, post-grant review, litigation, opinions and counseling, design patents, trademarks and licensing. Our knowledgeable attorneys and agents hold advanced degrees and are experienced in the fields of chemistry, electronics and IT, mechanical engineering and life sciences/biotechnology.

We believe in offering every client quality, personalized service, and are committed to educating our clients to help them make the most of their intellectual property. BSKB has a rich tradition of offering seminars on intellectual property law that have been attended by practitioners from around the world.
